# Allowable Subject Matter

Page 3

4. Claims 1-96 are allowed.

5. The following is a statement of reasons for the indication of allowable subject matter: the newly added claims 49-96 are allowed because the newly added claims 49-96 are identical to the original claims 1-48 except for the language "continuous webshaped", "continuous web-shape", or "web-shape". Since the language "continuous web-shaped", "continuous web-shape", or "web-shape" is not the reason for allowing the original claims 1-48, newly added claims 49-96 are allowed.
